Laurie - I noticed that the complaint was filed April 19, 2004 and the attached (Appendix A) notice of intent to sue is dated January 15, 2003 (covering violations for the 5-year period ending in January 2003). But we have another Jack Silver notice dated April 19, 2004 alleging the same violations at Ukiah, but for the 5-year period ending in April 2004. I wonder why he did a second notice. Is this necessary to update his complaint?

The attached complaints are from our friend, Jack Silver. Thought you might be interested in the City of Ukiah one.
